Help reduce the environmental impact of your communications

Dear shareholder

As a shareholder, you can help reduce the environmental impact of your communications by choosing to receive your shareholder communications in electronic form.

The Companies Act allows the default option for receiving and accessing shareholder communications (including your annual report) to be via a company's website. You now have the choice of receiving an email when your annual report and other shareholder communications become available or continuing to receive a printed copy.

Please select one of the options opposite

If you do not indicate your preference to us by **30 June 2020** shareholder communications will be supplied to you by means of the website and information on accessing your shareholder communications online will be posted to you at the time of the mailing.

If you have any questions about this letter please refer to the back of this letter for more details.

Yours sincerely

Mark Jenkins
Company Secretary, Halma plc
